d) VOCABULARY.

- Complete the text with words from the box.
(Completa el texto con las palabras del cuadro.)

and	because	can't	has	in
is	must	mustn't	there	they

The Macaw ¹ is a big bird. It can weigh 3.5 kg. It ² has got a very strong beak ³ with beautiful feathers. ⁴ There are a lot of macaws ⁵ in New Zealand, but people hunt them ⁶ because they sell the birds. We ⁷ must protect them because ⁸ they are in danger. People ⁹ can't hunt them. We can organise a campaign to help them. They ¹⁰ mustn't do anything because they are animals. But we can.

e) READING.

- Read this short text and decide if the sentences below are TRUE or FALSE. CORRECT the false statements.

(Lee este texto corto y decide si las oraciones debajo son VERDADERAS o FALSAS. CORRIGE las oraciones falsas.)

Wild animals live in their habitats. Whales, dolphins and sharks live in the ocean because they can swim. Lions and tigers live in the jungle and they must hunt to eat. Camels live in the desert because they can survive for days without water. Some animals, like snakes or spiders, can be dangerous. Some of them are poisonous and can kill people. We must respect nature. We mustn't touch wild animals because they can be aggressive.

- | | | |
|--------------------------------|--------------------------|---------------------------------|
| 1 Whales are domestic animals. | <input type="checkbox"/> | Whales are wild animals. |
| 2 Lions live in the ocean. | <input type="checkbox"/> | |
| 3 Spiders can kill people. | <input type="checkbox"/> | |
| 4 We must touch wild animals. | <input type="checkbox"/> | |
| 5 We must respect nature. | <input type="checkbox"/> | |

- Read the text again and answer the questions.

(Lee el texto de nuevo y responde las preguntas.)

- 1 Where do wild animals live? **They live in their natural habitats.**
- 2 What must lions and tigers do?
- 3 Why can camels live in the desert?
- 4 Where are there sharks?
- 5 Why mustn't we touch wild animals?
